Visa Types

- Non- Immigrant Visa is the only visa for foreigners temporarily staying in the Kingdom of Thailand.
- There is no difference in the validity of the visa whether it is a sticker or a stamp. The visa type and class is clearly stated on the sticker or stamp, e.g. Non-Immigrant Visa Class B for Business, Class **ED** for Education and O for other purposes.
- Tourist Visa (TR): upon arrival, a stay of 60 days will be granted to anyone entering Thailand as a tourist.
- Tourist Visa Exemption (Phore30 (พ30) or Phore90 (พ90)): entering Thailand for tourism purposes and permitted to stay for 30 or 90 days.

- Visa on Arrival: applying for a visa at the immigration checkpoint for tourism purposes not exceeding 15 days; extension of stay and changing visa type are not allowed.

* Those who hold TR, Phore30 (฿30), Phore90 (฿90), must contact the exchange program coordinator immediately to change the visa type.

Misunderstanding about permission to stay

The date of validity indicates that the visa must be utilized by entering Thailand within the designated period. Holders will receive an initial stay of 90 days from the date of arrival. They are required to extend their permission to stay after 90 days of their arrival at the Immigration Bureau. Please check the validity of your visa and get it renewed before the expiry date. You are recommended to contact the exchange program coordinator in order to request an extension letter before going to the Immigration Bureau.

Visa Expiration

One month before your visa expires, please contact us with your passport and educational evidence, to request a letter for an extension of stay. This process usually takes a week.

Required Documents:

- Application form (TM.7)
- Copy of the passport
- 1 passport photo (4 x 6 cm.)
- 1,900-baht fee
- Letter for an extension of stay from CU
- Educational evidence (such as a copy of your transcript, the certificate of admission or a student ID card)

NOTE: A fine of 500-Baht per day will be applied if a visa extension does not meet the expiry date deadline.

Visa Change

Students who hold TR, Phore30 (฿30) or Phore90 need to contact their exchange program coordinator along with their passport and educational evidence to request a letter for changing visa type.

Required documents:

- Application form (TM.86)
- Copy of the passport
- 1 passport photo (4 x 6 cm.)
- 2,000 Baht fee
- Request letter from CU
- Educational evidence

NOTE: The Immigration Bureau requires at least 15 days for visa validation.

Leaving the country

You can do so but once you leave the Kingdom of Thailand your visa will be canceled automatically unless you have contacted the Immigration Bureau to apply for a Re-Entry Permit before you leave.

Required documents:

- Application form (TM.8)
- Copy of the passport
- 1 passport photo (4 x 6 cm.)
- 1,000 baht per a single/3,800 baht per a multiple Re-Entry Permit

Leaving Bangkok

International students who are travelling out of Bangkok for more than one day, whether upcountry or abroad, should, for personal safety and security reasons, notify the exchange program coordinator in advance.
